We Are C-LIGHT

Being a young company, we always focus on the most advanced LED technology.

As all relevant development processes are carried out in house, we can produce custom designs and create new collections follow by latest trends quickly and flexibly.

DESIGNED in EUROPE MADE in CHINA

C-light factory is located in Zhongshan China. The lowered cost that we achieved is being passed directly on to you.

C-light has been working with European lighting designers to develop custom lights of the highest technical standard. C-light use the best Materials in the market with Hardness Quality Checks for each product. The result is Premium Quality with reasonable price.
