BT PANEL

SMD Downlight

BT PANEL is an ideal lighting solution for commercial spaces such as offices, schools, hospitals, and supermarkets. This high-quality and durable backlight panel provides uniform lighting with no yellowing problem. It's energy-efficient, cost-effective, and comes in different color temperatures to suit any project that requires a high-quality and uniform light source.

- Uniform light effect with optical lens
- Interchangeable CCT (3000K + 4000K + 5700K) with slide switch
- Integrated iron plate design provides excellent thermal management
- Ultra slim, 25mm only
- Built-out driver
